

Solons Find Compromise On Schools

(Continued from Page One)
gives a proportionately larger amount of money to the school districts under 1,000 students.

But the senate committee agreed today to revise the spending formula to provide for different factors for elementary schools and for secondary schools, as the house formula would have done. Hirai said the committee will produce a somewhat better position for a smaller school.

Hirai said, however, that it gives less money to the smaller districts under 500 than the house formula would have done. Under the latter, the smallest districts would have received twice as much per student.

The compromise formula which shows later schools can operate more economically and efficiently.

Hirai said he is still hoping for a \$10 million dollar public school appropriation "despite the economic difficulties."

The compromise formula would use a 28-mile computation levy on adjusted assessed valuation,

paying less than that but qualifying for state aid would be penalized.

The proposed building program outlined in his budget also shows some changes from the proposal submitted earlier to the legislature by Gov. Robert E. Smylie.

Funds allocated for new buildings would range from \$200,000 to \$400,000 and for acquisition of a site for a new penitentiary from \$160,000 to \$350,000.

Provisions were included in the budget for the use of contributions or gifts from private sources to nearly double the amount available for construction of a state historical museum.

The proposed annual water budget of \$100,000 and the bill provided \$200,000 from the funding fund and a similar amount from donations for a total of \$400,000.

The budget also provides these other allocations:

State hospital south, \$1,025,000; state school, \$320,000; state hospital north, \$200,000; Idaho national guard, \$125,000; laborator for department of agriculture and board of health, \$850,000; industrial training school, \$300,000.

Construction of all \$110,000; Idaho State college, \$160,000; Lewis-Clark normal school, \$125,000; polo research laboratory, \$400,000; school for deaf, \$100,000; school for blind, \$100,000; hospital for crippled, \$125,000; laboratory for department of agriculture and board of health, \$300,000.

Construction of all \$110,000; Idaho State office building, \$300,000; lava hot springs foundation, \$75,000.

Ex-Fairfield Woman Dies At Age of 90

FAIRFIELD, March 6.—A memorial service will be held at 1 p.m. Friday at the Gooding First United Methodist Church for Mrs. Alice Lee Burton, 90, Emmett, who died Tuesday night in Emmett after a long illness. She is a former resident of Idaho Falls.

She was born in Hixtonville, Ill., May 11, 1872, and was married to Hyrum Bracken Lee at Logan in 1895. Mr. Lee died in November, 1917. She was married to Arthur Burton in 1924, now deceased. Mrs. Burton belonged to the First Methodist church and Daughters of Utah Pioneers.

Survivors include five sons: Hyrum E. Lee, Gooding; Harvey I. Lee, Harold Lee, and George D. Lee; two daughters: Mrs. Lee, Emmett; four daughters: Mrs. Edith Baker, Fairfield; Mrs. Mollie Stewart, Orchard; Mrs. Eddie Burris, Emmett; and Mrs. Alice Kemp, Idaho Falls. Five brothers: John, Hixtonville, Ill.; James, Idaho Falls; both Gooding; and Bailey Olson, Rupert; four sisters: 45 grandchildren; 132 great-grandchildren; and 21 great-great-grandchildren.

Funeral services will be conducted at 1 p.m. Saturday at the Elmwood cemetery, Gooding.

Police Probe Break-in Attempt

Twin Falls police were investigating on Thursday morning an attempted break-in at Mountain's Foodliner grocery store, 1900 Kimberly road, about 8:30 p.m. Wednesday.

Police said two or more men in dark clothing, 1962 Chevrolet, attempted to enter the store, an attendant at United Oil service station, LeRoy Adams, Hansen, saw an unknown suspect go to the east rear of the store building, where he left a red front wheel on a window. The suspect attempted to remove another bolt, but was frightened by Adams.

Adams returned to the nearby service station and notified Jack Hansen, manager of the store, of the attempted break-in. Hansen contacted police about 9:10 p.m. Wednesday.

One of the men in the car was about five feet, eight inches tall with a humpy build and wearing a dark jacket.

TOURISTS NUMBERED

MONDOW—March 7—The chairman of the Soviet tourist agency says that 800,000 foreign tourists and businessmen, including 10,000 Americans, visited the Soviet Union last year,

Weather, Temperatures

MAGIC VALLEY—Continued from page 1. Early morning. Patchy clouds, no precipitation. High 48°. Low 32°. Wind, N.E. 10 mph. Friday, low 32°. Further cold for Saturday, little change. Temperature at 8 a.m. 23° at Jerome, 24° at T.F. experiment station with 98 percent humidity, 21° at Fairfield, 21° at Melba, 24° at Boise, 25° at Hailey, 19° at Fairfield, 21° at Melba, 24° at Boise, 25° at Hailey, 20° at Jerome, 21° at Castleford; at 8 inches, 33° at experiment station.

AGRICULTURAL WEATHER SUMMARY

The return of fair sunny weather to southern Idaho and eastern central Oregon is expected to be a popular change. Warm afternoons and cool nights make up the temperature regime for the next two to three days.

Soils will remain virtually cloud-free after the patchy early morning clouds during the forenoon.

The semi-stationary low pressure center along the California coast shows signs of weakness but has been vigorous enough to bring some showers and drizzle into central and northern Colorado during the past week. This will continue to the south and we have had little effect on our weather, with afternoon temperatures in the 40's and 50's over agricultural valleys during the next three days, surface soil moisture will continue to drop. Good drying conditions will allow greater activity in early season plowing, discing and harrowing operations.

Soil temperatures which show up only slight rises during the next several days as the cool nights will tend to hold down advances made during the day. Average four inch depth temperatures will continue to range from the low to mid 40's over southwestern valley to around 40 degrees in Magic Valley to the 30's in the upper Snake river valley.

TEMPERATURE AND PRECIPITATION

Weather at 6 a.m. CST. Highest temperature yesterday, lowest temperature last 12 hours, precipitation for 24 hours ending 4 p.m. CST.

Area Speech Contest Set For Buhl

March 7—The Rev. Dale Olson, winner of the Buhl speech contest, will compete in the district area speech contest to be held March 11 at the Pendore Inn at Buhl.

The Rev. Mr. Olson's winning speech was "right to be speech." William Roberts took second place honors with the speech "How first I found Jesus." An invitation is extended to other Twin Falls clubs of the Buhl club which meets at the Buhl Inn at 8 p.m. every Friday through 8 p.m. during the month of April.

During last week's meeting Roberts was the recipient of the "Pencil with the winning topic," "Big Ben." Walter Olson was the other speaker.

William Olson, a new member, and William Pfeifer, another member, paid their respects.

Robert Marshall served as master of ceremonies. Bob Jones served as chairman and a few topics chairman and chief editor.

Bob Asenstrup was chief editor.

Auction Set To Help Buhl College Fund

BUHL, March 7—Buhl Jaycees are still soliciting merchandise for the public auction to be held Saturday as a fund raising project for Southern Idaho college in Buhl.

The vintage auction sale will be held at the Teen-O Youth building on North Broad

way Avenue in Buhl beginning at 1:30 p.m. Free coffee

and doughnuts will be served during the sale.

The auctioneer for the

adults will be Virgil Martin,

Ed Masters and Delbert Alex-

ander.

Buhl members as well as busi-

nessmen throughout the

area have been very coop-

erative in contributing items for

the auction, reports Mrs. G. Rob-

ert Johnson, Mrs. Sharon Walker

and Tom Neves, chairman and presi-

dent in charge of arrangements.

Any residents wishing to con-

tribute for the sale are re-

quested to contact Mrs. G. Rob-

ert Johnson, phone 231-5302;

Mrs. Larry Records,

Twin Falls phone 733-5156. Mer-

chandise will be taken up free

of charge or until time of the

sale.

Friends from the event will be

able to purchase books

or the college library, as well as

various supplies.

Friends who wish to make a

donation to the library are asked to con-

sider the above persons.

Two Named Life Masters at Meet

Rev. H. Miller Proctor and Mrs. J. C. McMillin were honored

Monday night at a meeting of

the Twin Falls Duplicate Bridge

club for having become life mas-

ters.

They are the first players in

Idaho Valley to reach this title.

There are only 12 life masters

in Idaho.

To become a life master

one must win in the

reduced duplicate competition

against the nation's best bridge

players.

Members of the club presented

Mr. Proctor and Mrs. McMillin

with wreaths.

CONSTRUCTIONIST DIES

CHICAGO, March 7 (AP)—Al

Redman, 95, retired vice

president of the American Bridge

Company, subsidiary of the

U.S. Steel corporation, died

Wednesday.

Senate Looks At Grazing Land Bill

BOISE, March 7 (Special)—A problem created by expansion of farm lands into former grazing areas is the focus of a Senate bill 18 which passed the house Tuesday after being introduced and sent back to the Senate for approval of the amendment and final action.

The concerned laws govern the land districts.

James G. Martin, R-Jerome, who did the work on the bill, said it was described as "an excellent document from the standpoint of damage caused by their animals in herd districts." Fenced and access roads provided with cattle guards.

He added that, in effect, it en-

ables farmers on land rights to

from former range lands in

herd districts and force them

to protect them from free

range.

A lot of play evolved around

the passage of the bill.

Pete T.

Speaker of the house, Pete T.

Gutierrez, R-Meridian, asked and

was given to carry the bill on

the floor since he had not car-

ried a floor bill yet this session

and had some particular interest

in this measure.

A number of representatives

were voted against the mea-

nus because it would interfere

with drilling in critical

ground water areas is due to re-

cent action in the house of rep-

resentatives probably today.

Rep. Jack D. Clalborn, R-H-

Twin Falls, who has carried the

bill on the floor, said he believes

the bill is of par-

ticular interest in Twin Falls

where a critical ground

water situation exists in the

agriculture and agricultural areas.

Calton noted that the bill

was voted down last year by Mount Harrison, including

the Owyhee Pan—was declared

a critical area by the state

reclamation engineer after a sur-

vey two years ago.

It was thought at that time

that the reclamation engineer

had authority to control

drilling in such a situation,

but it was found on closer study

that the bill, which gave re-

clamation permits for new wells only if there were protests and after a hearing was held.

The bill due for action in the

house, senate bill 232, amends

the bill to make it applicable

with the intent to

make it more effective.

Calton noted that the bill, which

became law in 1961, has been de-

cidedly critical.

The Twin Falls county legisla-

tive council voted at a recent

meeting to make the bill more

restrictive.

Rep. Dale B. Gainer, R-Min-

doka, described the act as plug-

ging an unconstitutional loophole

in the power control legislation.

Chernoff said the city of

Burley is the only municipality

in the state that has taken ad-

vantage of the loophole so far,

but added that there is no reason

why the loophole remains

open for any other municipal power

entity to use.

Burley expanded its power sys-

tem in 1959 and 1960.

News Around Idaho

POTATOES. March 7 (AP)—Flood-affected residents of Payette have formed a committee to promote placement of a \$100,000 bond issue to help control storm sewers and bridges on March 26. The Payette committee for flood prevention will coordinate with the city and county governments and a youth county flood-prevention committee. Floyd Rough was named chairman. He will be assisted by Ken Mervin, Ted Alexander and Chick Butterfield, vice chairman, and Mrs. Rosalie Talbot, secretary.

POCATELLO. March 7 (UPI)—Graduating seniors were cautioned today at the fourth annual industry day at Idaho State university that they must consider their future job opportunities before they leave school. Lee Knuck, Boies, director of labor relations, Morrison-Knudsen company, Inc., said that in the employment process the employer is doing the buying and the prospective employee the selling. "The employer's primary responsibility is to offer opportunities to his products or services to the public, not to the employee," Knuck said.

BOISE. March 7 (UPI)—Rep. Ralph Harding, D., Ida., has introduced a bill requiring public hearings on proposed acquisition of land for the Sawtooth National Forest for a wilderness area for the Sawtooths. Harding said hearings would give Idaho citizens an adequate opportunity to say whether or not they support a Sawtooth national park, a Sawtooth wilderness area, or the present primitive area status. Harding said he questioned the wisdom of the primitive area status. "I would consider having the requirement to truly a great addition to the national park system. Two of them are found in the Northwest and one of them is the Sawtooth area in Idaho."

BOISE. March 7 (UPI)—Federal Judge Chase A. Clark gave J. E. Storey a suspended five-year sentence and two years probation Wednesday after placing guilty to transporting a plane to the United States that had been hijacked. Judge Clark said Michael Leslie Dougherty and Dennis Dean Russell \$50 each for taking pictures of "certain vital military installations" at Mountain Home air force base.

BOISE. March 7 (UPI)—The appointment of Thomas G. Nelson, a native of Idaho Falls, as an assistant attorney general was announced yesterday by Atty. Gen. Alan G. Shepard. A graduate of Idaho Falls high school and the University of Idaho, Nelson recently completed a tour of duty with the U.S. air force.

BOISE. March 7 (UPI)—There are indications many teachers already are signing contracts for positions outside Idaho. Dr. J. P. Munson, president of the Idaho unified education council, said Wednesday, the council, he said, met in Boise Wednesday night and conferred with legislative leaders. The unified council, he said, has little hope of a \$3 million dollar appropriation for public schools being reached this session. Dr. Munson said he said that need, however, still remains and continues to be an objective of the council which is made up of the Idaho education association, the Idaho conference of parents and teachers and the Idaho school trustees association.

Burley Elks,

City Sponsor

Kite Contest

BURLEY. March 7—The Burley kite lodge, with the city recreation department, is sponsoring a kite contest, set for Saturday, March 30.

Awards will be presented to five different groups of boys and girls, based on height of kite, distance it was carried by the wind across the house and cars.

Scoring for the winners will be based on height or altitude of the kite, flight for smoothness and originally and effort.

Rules for entry are that the kites are to be built by the participants in design and construction, with no limits placed on size, shape or material used. The only exception is that children under 7 can use a commercially purchased kite, but it does not exceed 41 in. price.

There will be no entry fees, and all that is required to participate is to construct a kite and be at the flight kites at the time scheduled. The location will be announced later.

Group one, girls under 7 and boys under 7 at 1 p.m.; group two, girls 8 and 9 and boys 8 and 9, 1:30; group three, girls 10 and 11 and boys 10 and 11, 2 p.m.; group four, 12 and 13 and boys 12 and 13, 2:30 p.m.; group five, boys 14 to 16 and girls 14 to 16, 3 p.m.

The sponsors urge all participants to consider the safety of the kite and the safety of others so that corrections can be made, and improvements can be made, to improve their chances of winning.

Filipinos Present Program Before Many Valley Groups

Five citizens of the Philippines Islands, chosen by the Rev. Clyde V. Shields, founder and director of the school structures and church are expected to cost a total of \$60,000.

It was raining at the time, and between the rain and rock, the paint was washed off before it could get.

Police said the paint

gushed about 200 feet into the street.

The paint was carried by the wind across the house and cars.

Awards will be presented to five different groups of boys and girls, based on height or altitude of the kite, flight for smoothness and originally and effort.

Rules for entry are that the kites are to be built by the participants in design and construction, with no limits placed on size, shape or material used. The only exception is that children under 7 can use a commercially purchased kite, but it does not exceed 41 in. price.

There will be no entry fees, and all that is required to participate is to construct a kite and be at the flight kites at the time scheduled. The location will be announced later.

Group one, girls under 7 and boys under 7 at 1 p.m.; group two, girls 8 and 9 and boys 8 and 9, 1:30; group three, girls 10 and 11 and boys 10 and 11, 2 p.m.; group four, 12 and 13 and boys 12 and 13, 2:30 p.m.; group five, boys 14 to 16 and girls 14 to 16, 3 p.m.

The sponsors urge all participants to consider the safety of the kite and the safety of others so that corrections can be made, and improvements can be made, to improve their chances of winning.

Mrs. Ramos and Miss Roendo are instructors at the three year institute. In front from left are Vicente Hapala, 26, in his fourth year of medical school at the University of the Philippines, Manila; Romeo Aquino, first-year student at the Bible Institute, San Fernando, Philippine Islands. In front from left are Mrs. Julia Ramos, 25; the Reverend Mr. Shields and Rufina Roendo.

Tum-News photo)

In 1941 and has lived in the Philippines since 1947. The group has been in the United States about four months and has appeared in Washington, Oregon, California and Idaho. The collection is supported entirely by donations.

The five natives and the Rev. Mr. Shields, founder and director of the school structures and church are currently appearing in including three two-story buildings, a church, school and civic club.

A similar project in the Philippines will cost approximately \$100,000.

The new campus will be built to accommodate 250 students.

The church and school are organized under Phillipine Missions, Inc.

Native costumes for the men are primarily "barong tagalog," highly embroidered dress shirts worn with pants and ordinary street shoes. The Rev. Mr. Shields noted Wednesday, "We are dressed up" in the Philippines.

The two women's native dress are "sophitang," a green dress and the high collar costume of the women.

Many of the Filipino people speak English but each area of the Philippines has its own local dialect. Tagalog is the national language. San Fernando is a major city of the Philippines and is capital city of the area.

The institute was founded in 1955 and teaches a Bible course. The school is located on property donated by two Americans and is situated on a hill overlooking a seven-hour drive north of Manila. The present campus includes five buildings constructed

of brick and mortar.

The Rev. Mr. Shields graduated from Glad Tidings Bible Institute, San Francisco, Calif., in 1963 and retired in 1967, died Wednesday.

Recording Heard By Gooding Club

GOODING, March 7—A rec-

ord "The Four Dreams of Man"

by Dr. David L. Gooding, author and author, was presented at the monthly dinner meeting of the Business and Professional Women Monday evening at the Lincoln Inn.

The four dreams were listed

as: dream of self-government,

dream of peace, dream of enough to eat, and the dream of human dignity on a world-wide basis.

Mrs. Robert Bryan and Mrs. Mary Hayes were in charge of the program.

Committee members for the annual Chamber of Commerce and BPW banquet were appointed with Mrs. Leura Lucke as chairwoman.

Sister Stevens conducted the business meeting.

The group will appear Satur-

day evening at the Jerome United Pentecostal church and Sunday evening in Burley at the Assembly of God church. There are guests of the Rev. and Mrs. Clarence Horst.

The Rev. Mr. Horst is pastor of Hilliard Chapel.

The group will visit the Idaho Science fair at 150.

Grange Eyes Legislative Proposals

HAGERMAN, March 7.—Roy Brackett, of the Hagerman Grange, spoke on the bills before the legislature in Boise, at the Hagerman Grange meeting Monday evening. Brackett also told of attending a caucusing convention at Ladd recently.

Grange members passed a resolution opposing the senate bill which calls for a mandatory 10-mill, permanent local assessment to be levied before the state aid can be received.

Members also expressed opposition to the bill which would provide for the mailing of privately owned land for the protection of public ranges and forests.

A vote of commendation was given to Sen. Don Fredrickson and Rep. Vernon Ravencroft, for their work on legislation.

Books were distributed by the home economics committee. Permission was granted to the 4-H clubs to use the Grange hall for their organization meetings Friday. Other demonstration clubs were also given permission to use the hall, March 25 for their county council meeting.

Mrs. Tom Faust, lecturer, stated the Orchard Valley Grange invited the Hagerman Grangers to a dinner at Orchard Valley Friday.

Mrs. Howard Clifford was in charge of the program. Five entertainment included a quotation of Benjamin Franklin's to read, or a short story, James Holt and Mrs. Stanley Koskovec were team captains for games with Mrs. Howard Clifford.

The next meeting March 15, will feature a pancake supper prepared and served by the men of the Grange.

It is planned to have a representative of the Idaho Forest company speak on safety at this meeting.

Refreshments were served by Mr. and Mrs. Brackett and Mr. and Mrs. Bell.

Miners in France Stand Up for Test

PARIS, March 7.—The de Gaulle government and France's 200,000 striking coal miners squared off today for what could become a prolonged test of wills.

A spokesman for the government threatened stern measures if the miners did not obey President Charles de Gaulle's back-to-work order.

The strike leaders stood firm. They said the miners will not return to the pits until the government at least opens negotiations on the demands of the miners, who said they will not discuss the wage and hour issues until work resumes.

The miners seek an 11-per cent boost in wages, more overtime work and a government offer of a 5.7-per cent increase.

One informed source hinted that the government might order the arrest of leaders of the striking miners if they do not present themselves for obeying the draft order. With 90 to 95 per cent of the country's coal miners on strike, he conceded, it would not be practical to arrest all of them.

Sites for the mines built among unions throughout the country. Gas and electrical workers scheduled a two-hour nationwide strike Friday. Wyoming in the U.S. has filed a strike against France—which supplies half the country's gas—called a two-day strike for today and Friday.

Information Minister Alain Peyrefitte said the national strike was dangerously low at this end of the coldest winter France has experienced in more than 80 years and said rationing might be necessary.

Bids Asked for Postal Facilities

WASHINGTON, March 7.—Edward Deyo announced Thursday the post office department will advertise for bids on remodeled buildings or proposals for new construction on a site to be furnished by the bidder for new post office buildings at Malib and Carey.

Specifications call for a structure containing about 900 square feet of serviceable floor space with 400 square foot windows and 1,000 square feet of paved area. Bids should be submitted to the real estate officer, box 3861, Seattle.

The sites, to be approved by the post office department, will be purchased by the successful bidder who will construct the building to government specifications and turn it over to the post office department. Terms of the lease will provide for a five-year basic agreement with two, one-year renewal options.

Henry J. Thatcher is postmaster at Carey and Dale O. Pierce is the Malib postmaster.

Suggestions Out On Budget-Slice

WASHINGTON, March 7.—Rep. Archer Nelson, R., Minn., has some suggestions for the Democratic budget, which he believes is how to reduce President Kennedy's \$1 billion dollar budget.

Two departments alone, agriculture and transportation, will be asking for \$1,000 more employees than those departments had in 1960, Nelson said in a statement.

What is the equivalent of the total population of the Patagonia, Mexico, New Ulm and Washington, Minn., suggests that three departments would survive without all these extra people."

Buhl Cleanup Project Set For April

BUHL, March 7.—The annual cleanup, cleanup and fix-up project for the city of Buhl is set April 1-5 when the Buhl Chamber of Commerce, Twin Falls, Monday at the R and R cafe.

Olin Smith, chairman of the civic and good will committee, in making the announcement noted that the chamber has invited weekend participants to participate in the city cleanup program. Jess Holmes, city streets and water works superintendent, reported the chamber is also participating in the chamber project.

Frank Rippe, president of the Buhl Jaycees, spoke briefly on the organization's projects for Buhl. He said that since the finance committee reported there are now 61 members, of which 20 are new members, registered on the 1963 chamber roll.

Mrs. Robert Diaz, head of the community department of the Buhl high school, spoke relative to the on-the-job training program. She pointed out the importance of the program which gives the students first-hand experience as an employee in the business profession and noted 15 girls are available to participate in the program.

Miss Wilson, head of the bookkeeping, economics and typing department of the high school, also spoke briefly, pointing out the high school here has modern equipment and facilities for student education.

Close Watch

LONDON, March 7 (AP)—Scotland Yard kept close guard today on a woman member of parliament who said an anonymous phone call threatened to blow up a plane marked for death by the terrorist French secret army.

Miss Alice Bacon, 52, Labor's spokeswoman on home affairs, said the attack on the plane of an MP was due to the government's failure to nab

France's fugitive ex-Premier Georges Bidault when he slipped into Britain last week. She gave a brief interview to the British Broadcasting corporation.

Work Session Set April 1 For Wendell

WENDELL, March 7—Lions club members made plans for a work session April 1 at their regular meeting held Monday evening at Mac's cafe.

The work session will begin at 7 p.m. with a social hour, then up the tennis courts. Committees appointed by Charles Miller, club president, include Douglas Schrank, Maurice E. Schild, work director; and Mrs. Charles Holman, breakfast committee.

Appointed to the nominating committee were Ben Morgan, Douglas Schrank and Charles Miller.

An invitation was received from the Parma Lions club to attend their charter night Thursday at the Parma Community church.

An invitation was read from the Buhl Lions for their ninth annual charter night to be held at 8 p.m. March 15 at the R and R cafe with the social hour to precede the dinner meeting.

A short history of the club and the use of beans for Idaho was shown.

The next meeting of the club will be ladies night with dinner at 7 p.m. Monday at the Wendell Grange hall.

Collins Urges Repeal of Law On Equal Time

MINNEAPOLIS, March 7 (AP)—The president of the national association of broadcasters, Letroy Collins, has urged congress to repeal the law requiring radio and television stations to give equal time to opposing political candidates.

"Give us complete repeal for one election and let us prove something to you we have not had an opportunity to prove," he said.

Collins, arguing the broadcasters' case before a house subcommittee, said the equal time requirement "denies" to the broadcasters the right to broadcast political programs equivalent to that accorded other arms of the press."

Class of 1933 Sets T. F. Meet

Class of 1933, Twin Falls high school, will hold a class reunion July 6 at the Twin Falls Elk's club, according to Charles E. Allen, general chairman.

Allen reported that any assistance in locating former classmates will be appreciated. They are Nell Clarence Carson, Esther Lawson Edman, Paul K. Hansen, Mrs. Mabel Danner, William Elmer Hager, John Henry Hansen, Merrill Woodrow Lee, Francis Carroll Myers and Gladys M. Roush.

Those having information concerning these persons please contact Mrs. Eugene Dillon, 733-1201; Arthur H. Silter, 733-4230; Mrs. William Blimp, 733-3900; Mrs. William Draper, 423-4922; Mrs. Robert Denton, 423-4922; or Allen, 733-5033 or 733-5000.

LELAND BUSINESS
CASTLEWOOD, March 7—Dudley Watson, owner of the Red Barrel, has leased the establishment to Iris Baird, Buhl, and it will be known as Iris's Soda fountain.

News of Record

TWIN FALLS COUNTY
Twin Falls Police Court
Black Lance, 26, fined \$10 and costs for being drunk in an auto.

ALLEN L. HARRIS, Jerome, was fined \$10 and costs for operating an auto without a master license. Black Lance, 26, of Pierce street, was fined \$10 and costs for disturbing the peace with an auto.

Twin Falls Probate Court
Diana Snyder, 33, was found guilty of child truancy and neglect of dependent children and sentenced to six months in the county jail. All but 10 days of the sentence was suspended and she was placed on probation for six months. She was charged with severely burning her son, Donald Frost, 5, on the right and left hand, "to teach him a lesson".

Rolling Moore filed a \$300 lawsuit against the Times-News, Inc., charging non-payment of an incentive bonus—\$10 for advertising sales in excess of a quota of sales made by the newspaper's salesman from Jan. 1 to Aug. 30, 1962.

Twin Falls Justice Court
Leonard Cooper, Filer, \$5 and costs, failure to register vehicle; Carl Kell, 21, of Filer, \$4 and costs, failure to renew driver's license, and Marvin W. McCowan, Twin Falls, \$5 and costs, failure to transfer vehicle's registration.

Twin Falls County Clerk
Mrs. Patricia A. Eden filed suit for divorce from Robert Leo Eden, charging mental cruelty and asking custody of the couple's two children, the community property, \$25 monthly support for each child and \$5 a month alimony.

Mrs. Marie E. Hanel filed suit for divorce from Louis J. Hanel charging general cruelty and asking for the couple's one-child, the house and furnishings as well as reasonable child support money.

A marriage license was issued to Heart, 21, and Henrietta Pineda, 19, of Filer.
Ruth A. Brown, 48, 845 Elm Street, was fined \$150 by Twin Falls Police Judge Dale Adamson for drunken driving.

John E. Criswell, 27, Haileyton, was fined \$100 by Judge Adamson for leaving the scene of an accident.

MONTDOKA COUNTY
Heyburn Police Court
Donald C. Hensley, Heyburn, appeared for driving without a driver's license in his possession. The charge was dismissed when he showed proof of owning a license.

District Court
Sentencing of Saul Gonzales and Israel Vasquez, Rupert, was set for March 11. The men pleaded guilty as charged with their part in the kidnapping of James R. Minidoka county homes in December, 1962, and January, 1963. They are being held in jail in lieu of bail.

Lee Gentry was granted a divorce from Mrs. Jim Gentry. A joint settlement presented by legal counsel was approved. Attorney for Gentry was William T. Goodman, and for Mrs. Gentry, Larry Duff.

Richard Poole and Calvin Horton, both of Heyburn, Gentry's attorney, were sentenced to 18 months probation with the state board of corrections. As part of the parole condition, Horton was ordered to pay \$25 weekly for a minor child.

John Gelfrech, was granted a divorce from Mrs. Ruth Gallegos and was ordered to pay \$25 a month support for a minor child.

Rupert Justice Court

Lee Cox, Rockland, \$250 costs, driving on the wrong line into the wrong lane of traffic.

Victor Hill, Heyburn, paid \$3 costs for "failure to register a trailer." Ivan Hill, 16, of Hill, was fined \$100 and \$250 for driving without a driver's license.

Merle L. Stapleton, Heyburn, \$2 and costs, failure to flag an over-width load. Clifford R. Butler, Rupert, \$2 and costs, failure to register a vehicle.

JEROME COUNTY
District Court

A judgment of \$225 in favor of W. M. and Raymond Hill and Raymond Hill was awarded in district court. Hills and his two sons were suing Craig Walters for \$3,215.94 for potatoes they had sold to Walters, but never had been paid for.

Raymond and Lester Hills testified in court. The check was given to them by the United Pacific Insurance company, who had agreed to buy out Walters in the amount of \$2,500.

Policeman Blaster

Guy Johnson, 61, Jerome, was arrested for molesting a female.

IDAHO COUNTY
District Court

Bobby Jarvis, Salt Lake City, was sentenced to three years in the state penitentiary for charges of first degree burglary. The sentence was commuted to six months in the county jail.

Divorces were granted to Mrs. Jeanne James, 21, of Burley, from Clifford Trent Miller, Burley, and to Mrs. Janie Kay Twiss, from Max James Twiss, both of Burley.

Foothills Court

Charles Harmon Roberts, 45, Burley, pleaded innocent to a charge of statutory rape when he appeared for preliminary hearing. He was bound over to district court and is being held in Cassia county jail in lieu of \$5,000 bond.

Luree L. Bennett, 42, Twin Falls, appeared on a charge of disturbing the peace. He was sentenced to 10 days in the county jail.

Test Looms

For Rival Fund Plans

BOISE, March 7 (AP) — Idaho legislative leaders agreed Wednesday to give immediate test runs to two rival state-wide distribution-state funds for the public schools.

The senate and house each will take up its own version of the formula at 8 p.m.

If either house kills its own version, however, then the dead-lock would be removed.

If each house passes its own version formula is then a major roadblock to early adjournment.

Failing to agree on a distribution formula has been one of the major problems before legislative leaders in their efforts to determine the size of the general fund budget in the next two years.

Introduced in the senate was a bill appropriating \$38 million dollars for the public schools in the two-year period beginning next July. The amount is considerably more than was recommended by Gov. Robert E. Smylie but is more than \$3 million dollars short of the amount recommended by the state department of education.

Compact Studied

BOISE, March 7 (AP) — Ratification of the Columbia interstate compact will be considered Wednesday in a bill introduced in the Idaho senate.

The Idaho legislature ratified the compact two years ago but it failed then to get approval of the legislatures of Washington and Oregon and a new compact was drafted. It covers the Columbia river and its tributaries and involves the states of Idaho, Washington, Oregon, Montana, Wyoming, Nevada and Utah.

School District Bill Passes 55-0

BOISE, March 7 (AP) — The Idaho house of representatives passed 55-0 a bill introduced by Rep. William Murphy, D., Spokane, said would solve a problem for the school district of Avery in northern Idaho.

The bill would allow the school district to pay tuition to other districts for students to attend their schools.

Although the district provides schooling only through the tenth year, and students going to high school beyond a vote to St. Maries or Wallace, both 50 miles away.

Amendment for Constitution OK

BOISE, March 7 (AP) — Idaho's house of representatives approved 55-0 a bill that would add a good amendment to the United States constitution that would prohibit any law taking away an individual's right to vote for any other tax.

There was no debate on the measure. The only votes against it were cast by Reps. W. Clay Marion, D., Payette, and Max Rogers, D., Gem.

Bill Okayed

BOISE, March 7 (AP) — A bill introduced by Rep. Howard Smith, D., Boise, to reorganize and consolidate highway districts was passed 42-8 Wednesday by the Idaho house of representatives.

Smith said Latah county has a problem of too many small, inefficient highway districts. He said he believed half of the others in the districts could petition the county commissioners for an election on reorganization.

The senate and house each will take up its own version of the formula at 8 p.m.

If either house kills its own version, however, then the dead-lock would be removed.

If each house passes its own version formula is then a major roadblock to early adjournment.

Failing to agree on a distribution formula has been one of the major problems before legislative leaders in their efforts to determine the size of the general fund budget in the next two years.

Introduced in the senate was a bill appropriating \$38 million dollars for the public schools in the two-year period beginning next July. The amount is considerably more than was recommended by Gov. Robert E. Smylie but is more than \$3 million dollars short of the amount recommended by the state department of education.

House OK's Plan On Fire Districts

BOISE, March 7 (AP) — A bill that would permit areas from fire districts or other taxing districts to be annexed by the Idaho house of representatives.

Rep. Fred Koch, R., Ada, said that if it is enacted into law, an area now that is part of the fire district, the people may be taxed twice for the same service.

He said he had a telegram from Mayor Leonard Sabin of Boise saying the city wanted to negotiate a franchise

with the fire district.

Smylie Signs Bill Giving State-Indian Jurisdiction

BOISE, March 7 (AP) — Gov. Robert E. Smylie signed Wednesday a bill giving the state jurisdiction over Indian children, cases involving insanity and mental illness, public assistance, domestic relations and the operation of motor vehicles on highways and roads maintained by the state or its political subdivisions.

"The assumption of any additional jurisdiction than that specified," the governor said, "is the work of the legislature." The governing body of the particular Indian reservation involved.

"It is only fair to say that I have grave doubt concerning this," he said.

"Because I am mindful of Indian doubts concerning this bill, I shall associate myself closely with the administration of the measure," the governor said. "The purpose of this legislation is to safeguard all of us from the vagueness of the double of Indian people."

The bill gives the state jurisdiction over Indian children, cases involving insanity and mental illness, public assistance, domestic relations and the operation of motor vehicles on highways and roads maintained by the state or its political subdivisions.

Rep. Fred Koch, R., Ada, who introduced the bill, said he hoped it would prove to be a good measure.

The bill will be introduced in the senate on April 1.

Viet Nam Navy Takes up Patrol

JACOB, Viet Nam, March 7 — The U.S. 7th fleet has turned over patrol duty along South Viet-Nam's coast to the young Vietnamese navy.

The bill gives the state jurisdiction over Indian children, cases involving insanity and mental illness, public assistance, domestic relations and the operation of motor vehicles on highways and roads maintained by the state or its political subdivisions.

The bill will be introduced in the senate on April 1.

Dietrich PTA Officers Seated

DIETRICH, March 7 — New officers of the Dietrich PTA were seated Tuesday evening Monday night at the school.

They include Iris Olsen, president; Carlene Holschbach, secretary, and Lois Sorenson, treasurer.

A contribution of \$5 was voted for the scholarship fund. It was announced basketball games between the varsity teams and the junior team will be played at a technical point of view.

The United States asked the Japanese government in February, 1962, and again in September last year, to accept its proposal to provide a suitable site for a tracking station site in Japan.

The Japanese government agreed to do so, and the Japanese government accepted the proposal.

The Japanese government showed little enthusiasm for the project.

ATTEND FUNERAL

VIEW, March 7 — Mr. and Mrs. Elmer Cunningham attended the funeral of Mr. Elmer Cunningham, his nephew, Edon Bailey, in Pocatello Monday.

Municipal Anti-Pirating Measure Passes House Vote

BOISE, March 7 (AP) — An anti-pirating power distribution "antipirating" bill that backed said would keep municipal power systems from taking over rural areas was passed 42-8 Wednesday by the Idaho house of representatives.

Rep. Howard Smith, D., Boise, said the bill would be used to reorganize and consolidate highway districts was passed 42-8 Wednesday by the Idaho house of representatives.

Smith said Latah county has a problem of too many small, inefficient highway districts. He said he believed half of the others in the districts could petition the county commissioners for an election on reorganization.

The senate and house each will take up its own version of the formula at 8 p.m.

If either house kills its own version, however, then the dead-lock would be removed.

If each house passes its own version formula is then a major roadblock to early adjournment.

Failing to agree on a distribution formula has been one of the major problems before legislative leaders in their efforts to determine the size of the general fund budget in the next two years.

Introduced in the senate was a bill appropriating \$38 million dollars for the public schools in the two-year period beginning next July. The amount is considerably more than was recommended by Gov. Robert E. Smylie but is more than \$3 million dollars short of the amount recommended by the state department of education.

Solons Urged To Battle IRS Cutting

BOISE, March 7 (AP) — An anti-pirating power distribution "antipirating" bill that backed said would keep municipal power systems from taking over rural areas was passed 42-8 Wednesday by the Idaho house of representatives.

BRONCOS BUMP JEROME FROM STATE MEET

Blackfoot Nips Tigers

47-44; Salmon Blasts

Caldwell by 65-55 Count

BOISE, March 7 (P) — Blackfoot and Salmon moved into the quarterfinals of the 1963 Idaho class AAA state basketball tournament Wednesday night by winning playoff games for runners-up from the state's four southern districts. After Blackfoot had ousted Jerome 47-44, Salmon withstood a third period Caldwell well and won 65-55. Jack Sorenson, 5-foot, 11-inch junior for Salmon, poured in four straight field goals in the third period, added another goal and one free throw in the fourth period to spark the visitors.

Clay Makes Poetic Entry Into New York

NEW YORK, March 7 (P) — Cassius the Great blew into the big town and almost blew it down. "I'm Cassius Clay and I'm the greatest," trumpeted the all-conquering young heavyweight as he stepped off the train from Miami Wednesday. Cassius has two big battles coming up — one with contender Doug Jones in Madison Square garden next Wednesday night and another with Muhammad Ali with bearded, beaitnik birds in a Greenwich Village bistro Thursday noon. He'll both warn joints and the other pools to bow down to him.

The Louisville Lip again predicted disaster for Jones, a good puncher who never has been stopped. When the match was first set, Cassius prophesied: "If Jones wants to mix his gotta go in six."

At the railroad station here he warned the New York customers to get the fight early, "It might cut it down to four," he shouted. "Get there early, I might cut it to one."

As for the poets, Cassius warned them to watch out for a new Shakespeare.

"I'm preparing an epic poem for them," said Cassius. "It's called 'An Ode to a great champion' — Clay — by Cassius Clay."

The handsome, 21-year-old 1960 Olympic champion, said he weighed 208 pounds — a "good knockout weight."

As hard as he plays, Clay hardly allows a coach to rest his nerves for the next night's action.

"It also should be noted that Muhammad's Art Whittaker had ended the tournament with a cracked bone in his foot."

Whittaker, a senior, wasn't about to be sidelined by the injury, however, and when the doctor intimated he probably could play some, that was a green light for the boxer.

"I don't know whether to do anything about it before the tournament or after," says coach Ruel Barker. "Maybe we could have been a 'sentimental favorite.'"

Whittaker tried to use Whittaker sparingly, particularly in the earlier going, but the tournament was so well balanced it was impossible. So at Whittaker's insistence, he split up-point nights, handle the ball better than we've ever seen him and hustle through the tournament. His 27-point effort in the second-round bout by far was probably the best individual effort since Bob Letham did the same thing for Twins Falls in 1953 in the regional tournament against Boise. The difference was Whittaker and Raffi River lost.

Overall, the closest action came in the sixth district tournament at Hansen and the credit that went to the Hansen committee — when Detroit was the tournament — it would be tight. The Hansen gymnasium had more people in it each night for this tournament than we received.

The triple-A tournament appeared to be about \$1,000 over last year's gate, which was the poorest since the advent of the new gymnasium. This year was the rebound of the 10 and 12-inch anfall that plagued Maple Valley at this time in 1962.

"The Gorilla didn't have a bad district tournament. In five games the 6-foot, 3-inch Chamis County star pumped through 181 points. Highlighting his effort was a point which had masked the district mark held by Frank Urigson.

Marichal and Cepeda Still Holding Out

PHOENIX, March 7 (P) — Chu-chu Peeney, vice-president of the San Francisco Giants, talked to the team yesterday by telephone with Juan Marichal and Orlando Cepeda but failed to reach a salary agreement with the pitcher and basemen.

"We are still holding out in the Dominican Republic," said Peeney. "We do not reach any agreement but he will come here to continue negotiations. We expect him to return in April."

"My talks with Cepeda now are at an impasse. Our last offer to him was the same contract for the last two years."

The 32-year-old ace, sent to Cepeda at Puerto Rico, got his salary to about \$42,000. Peeney reported his talk with Cepeda was cordial and that Cepeda told him he was in good shape.

BETH TITAN DEFENSE

SAO PAULO, Brazil, March 7 (P) — Leonid Berman, 19, a member of the Soviet national team, will leave March 14 for Tokyo, where he will defend his title against Katsuaki Aoki on April 4.

Billiard King Sets Clinics In Twin Falls

Jim Carras, four-time world billiard champion and member of Brunswick's billiard advisory staff, will conduct two exhibitions and clinics at the Side Pocket recreation center in Twin Falls.

Carras, who hails from Scranton, Pa., will be available from 7 to 10:30 p.m. and again from 7 to about 9:30 Saturday. He is expected to play Tom Gosselink, both Twin Falls, in the exhibitions.

Carras had taken a 22-21 halftime lead, Caldwell 12 straight points to him in front of 34-34 with 4:56 remaining in the third period.

Bob Gutman drew out Caldwell with a jump shot.

The Cougars maintained the lead until the buzzer when Sonnen sent in his fourth fielder of the game. Sonnen didn't miss a shot all night. He made all five of them.

Dana Schick put Caldwell ahead momentarily as the fourth fielder but Sonnen quickly tied it and Gutman quickly tied it again for a jump shot from the foul circle.

When the match was first called from the field and particularly in the last five minutes of the game to oust the fourth district runners-up. The Cougars' only mistake was in the field end due to some damage to free throw shooting managed to stay in contention throughout the night.

He jumped in front 15-10 in the final quarter and with three minutes to go in the first half was still on top 28-20. Then Jerome flurried to cut the half-time lead to 27-26.

Jones showed signs of coming to life in the third quarter as the Tigers quickly rolled into a 30-30 tie. Blackfoot went back in front 33-30 seconds later because of the Garden's two-point lead, came up with five points to give Jerome a 35-31 advantage.

Fred Gano started it with two free throws and Rod added a charity point and a field goal.

But then the Cougars came back and Blackfoot pulled into a 37-37 quarter deadlock.

Both teams were deadlocked at the end of the third period, Jerome's two-point lead being offset by the Garden's three-point lead.

Fred Gano started it with two free throws and Rod added a charity point and a field goal.

But then the Cougars came back and Blackfoot pulled into a 37-37 quarter deadlock.

Both teams were deadlocked at the end of the third period, Jerome's two-point lead being offset by the Garden's three-point lead.

Jones showed signs of coming to life in the third quarter as the Tigers quickly rolled into a 30-30 tie. Blackfoot went back in front 33-30 seconds later because of the Garden's two-point lead, came up with five points to give Jerome a 35-31 advantage.

Governor Throws Weight Against Letting Maroons Play in NCAA Tourney

JACKSON, Miss., March 7 (P)—Gov. Ross Barnett threw his weight Wednesday behind the move to keep Mississippi State out of the NCAA basketball tournament. Segregation forces oppose Mississippi State's participation in the National Collegiate Athletic association playoffs because the Bulldogs might meet a team with Negro players. Barnett told his weekly press conference he felt participation "is not for the best interests of Mississippi." Mississippi State University, the state of Mississippi, or "either of the races."

The governor's statement came day after the state college board scheduled a special meeting today to discuss MSU's decision to ban the NCAA.

Nigeria May Back Next Title Fight

LAGOS, Nigeria, March 7 (P)—The Nigerian federal government decided Wednesday to ban boxing contests in the next five months.

Mississippi State was invited to represent the Southeastern Conference in the tournament if it took its third straight SEC championship. The team is No. 1 in this week's AP national rankings.

President D. W. Colvard announced when the team wrapped up its Big East championship last week he would permit the Bulldogs to go to the NCAA national playoffs unless stopped by a higher authority.

The university faculty issued a statement earlier Wednesday supporting Colvard's decision.

The government explained its action intended to insure no blacks regarding racial complaints in the minds of spectators.

The government said it is com-

mitting its decision to Tiger's manager in the United States.

John told the Associated

Press: "I am afraid that he has

been heard from Nigeria but

I am not sure what he said.

"That is not enough money,

Colvard said. "It would

take a minimum of

\$20,000 and I don't think they

are in a position to guarantee

that sum."

The Nigerian are sincere and

their intentions are good, and

most certainly is a tremendous

asset to boxing in the country,

Colvard said.

Meanwhile, when it comes to

the United States or Britain,

Colvard said, "It is a question of guaranteeing purses."

He added, however, that he

is going to explore the possi-

bility of a title fight between

the two countries in July.

Against a suitable oppo-

nent from Nigeria or Ghana.

He said he is pointing to

the match between the champion

and the challenger.

Colvard said, "It will be

up to the Nigerian to

make the arrangements."

Hoover Cautions Against "Season of Russian Spies"

BY JOHN EDGAR HOOVER

Director, Federal Bureau of Investigation

Copyright 1963

WASHINGTON, March 7 (UPI)—In the United States, Soviet espionage target No. 1 of Moscow—*"we might ask, 'Who is a Soviet spy?'"* "What does he look like?" "Does he have a profile?"

Many people, asked, have a good-looking Mata Hari type, ready to romantically deceive, or a dire-faced fellow, in a long coat, racing up and down—so varied.

Nothing could be further from the truth, the profile of a Soviet spy today is that he has no profile! By this I mean it is not possible to set up any composite picture—because he is so different, so varied.

Here is his great danger to our national security!

The spy may be old or young,

would have so many secrets at her fingertips? The Russians even furnished cameras to clandestinely photograph documents.

While the FBI was investigating the case, we ran across the code name of "Quibbles." Here was a Russian agent. Who was he?

Our investigation focused on an army sergeant, a pretense of being a government worker, scientist, or any trade or profession; he may be highly trained as a spy or a neophyte; he may live in a cheap boarding house, or rent a room in a luxury home.

Harry Gold was a rather undistinguished chemist from Philadelphia. His contact, Klaus Fuchs—who furnished data about America's most valuable secret, the hydrogen bomb, with a studio on the fifth floor of a Brooklyn building. He was an ordinary-looking fellow who could never command a second glance if he passed him on the street, yet he was a master Spy.

You, the citizen, can do much to help us:

1. Report promptly any information you possess concerning espionage, sabotage and subversive activities.

2. Even if the information may

be insignificant or nonparticular, report it anyway. Many times, pieces of date when placed with information we already possess, can solve an important case.

3. Report the facts. The FBI prefers to know exactly what happened again.

4. Do not try to conduct your own investigation. The job of countering Soviet intelligence is a task for the trained investigator.

5. Be constantly alert.

This is the season of the Soviet spy.

Toying with his yo-yo, Pat said listeners.

Youth Tells Of Yo-Yo Theft Trail

WASHINGTON, March 7 (UPI)—

More secrets of space

will be revealed next week

in the space satellite

to be made public then. And

the national aeronautics and

space administration has invited

scientists from all over

the world to the space

and technology symposium.

There has been speculation

that some important new

discoveries may be included

in the reports.

The youth was identified only as Pat. When the school assembly unit of the Georgia reformatory, he was one of five young prisoners who addressed the school assembly recently.

The quintet and their advisor

spent the day at the meeting of parents and teen-agers as volunteers in an experimental

crime prevention program, "Operation Teen-ager."

Mattie, head of the Georgia Indus-

trial Institute for boys, where this

state sends juvenile offenders

to serve time on probation, hoped

it would prevent others from

following in the footsteps of

young criminals.

Toying with his yo-yo, Pat said

listeners.

Loan Gets Okay

JAKARTA, Indonesia, March 7

(UPI)—Foreign Minister Subandrio

and U. S. Ambassador Howard

Jones signed an agreement to-day for a \$1-million dollar loan

to the oil-rich nation, headed by

economic woes.

The United States made the money available for Indonesian-made spare parts and machinery, hoping to help get a start in Indonesia's industrialization.

A lack of spare parts and tires has slowed Indonesia's transport system to a crawl.

Old Cars at Buhl Will Be Towed Away

BUHL, March 7—Buhl Police

Chief Charles Burkhardt

urged city residents to

concern themselves with

the old cars which are

abandoned on city streets

when the Buhl City Council met

Tuesday night.

The ordinance provides that

old cars which are not

used for more than 12 hours

on city streets. Chief Burkhardt

said owners will first be con-

tacted to remove any old or un-

used car which is not used

for a minimum of eight days.

Buhl residents were granted

a grace period of 10 days.

Old cars which are not

removed after the grace period

will be towed away by the city

at a cost of \$10 per hour.

Chief Burkhardt said the

old cars will be towed away

by the city with the owner

responsible for paying the towing

charges.

Council members granted Tony

Kirkland, fire chief, permission

to service T-174 extinguishing

equipment on his own time with

expenses to the city. The city

will pay Kirkland \$100 a month

for his services but must submit

quarterly reports to the council

showing what services had been

performed.

Residents of the city were

asked to let the city know

if they had any complaints

about old cars.

Filer Band Sets Concert

FILER, March 7 — The Filer

high school band will present a concert at 8 p.m. Tuesday at the high school auditorium. The concert has been named "Tulsa" after a symphony of that name which will be the feature attraction of the concert.

Other selections, many with jazz, which will be featured by the band include "Toccata," "TV Suite," "La Virgen De Macario," "Bittersweet," "Gershwin's 'Song' Back to Sorrento" and other favorites, stated Ken Perris, director.

Proceeds of the concert will go to finance the band tour which will be March 15-16. The band will play at the Pocatello High School, March 15, with the Western students.

The Filer band will be featured ear-

lier in the evening. During the day, the Filer band will present concerts at Glenwood Ferry and Ketchum High Schools.

Students — about 160 — will be spent in the McCall area before returning to Boise that night.

... for the
lady
who pushes
the cartExciting New Recipe using Nabisco Crackers and
Carnation Evaporated Milk

MOCHA FREEZE

Crumb Mixture:

1/2 Cup NABISCO GRAHAM cracker
flakes or crumbs (about 70 crackers)

1/2 Cup sugar

1/2 Cup chopped walnuts

1/2 Cup butter or margarine, softened

Filling:

1 Cup undiluted Carnation Evapo-

rated Milk, warm

3 Egg whites, room temperature*

1/2 Teaspoon salt

1/2 Cup sugar

2 Tablespoons instant coffee

1 Tablespoon finely chocolate

Combine NABISCO GRAHAM cracker
crumbs, sugar, and walnuts; add

butter. Mix well. Sprinkle 2 cups in a

wax paper lined 9-inch square pan.

Press firmly. Chill. In refrigerator

freeze until soft ice crystals form around

edges of tray (about 25-30 minutes).

Beat egg whites in small bowl until

foamy; beat in sugar. Whip Carnation

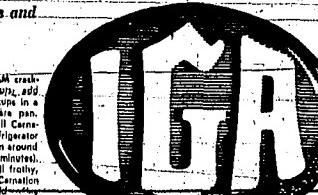

Evaporated Milk until thick and

creamy. Fold into mixture. Sprinkle

lightly powdered sugar over top.

Freeze overnight. Cut into squares or

diamonds. Makes 16-18 servings.
